PILOT STORES

Granada Hills, CA · Tucson, AZ ·
Marlton, NJ

PROGRAM OVERVIEW

The Beneficial Reuse Program Pilot, a collaborative effort between Happen Ventures and three supermarkets in Granada Hills, CA; Tucson, AZ; and Marlton, NJ.

This initiative aims to meticulously assess the feasibility and effectiveness of our Beneficial Reuse Box Program as a sustainable solution to reduce hazardous waste generation for these stores.

The program involves the careful collection and repurposing of designated items for donation to pre-approved non-profit organizations.

HOW THE PROGRAM FLOWS

Store Associates set apart items for reuse

Store Managers request pick up online when it's needed.

Happen Ventures match the inventory with the local charities.

Select Non-profits come and pick up items

Happen Ventures validate & add donation to report.

BOX SPECIFICATIONS

The Beneficial Reuse Box provided by Happen Ventures for the pilot program should have the following dimensions:

HEIGHT	16.7 in
LENGTH	32.0 in
WIDTH	20.1 in

BOX INSTALLATION

Happen Ventures will arrange the shipping to each store's location. The box should be placed in the area determined and agreed upon during the onboarding process to facilitate pickups from non-profit organizations.

Additionally, Happen Ventures will provide signage and other resources for both the employees and Nonprofits that come to collect the donations.

WHAT GOES INTO THE BOX?

Each of the approved locations, authorized by the store, will play a pivotal role. They are responsible for actively adding donation items to the designated box and requesting pickup orders through our platform as they see fit. In adherence to the Master Service Agreement, it is imperative that the items meet the specified criteria outlined in the agreement, encompassing considerations such as their condition, type, and other exclusions.

Additionally, for the duration of the pilot program we will only accept the following products:

✓ WE TAKE

- ✓ New items
- ✓ Returns
- ✓ Expiring items
- ✓ Off-spec
- ✓ Slow moving
- ✓ Lightly used (non edible products)
- ✓ Close non-expired ingestibles products
- ✓ **Items must be in good condition**

✗ DON'TS

- ✗ Open OTC ingestibles products
- ✗ Leaking or broken items that are not bagged or less than 50% full
- ✗ Trash
- ✗ Expired over six months
- ✗ Anything with mold or discoloration
- ✗ Refrigerated products

ACCEPTED PRODUCT CATEGORIES

✦ Personal care

🎨 Cosmetics

💊 Vitamins

🌿 Supplements

🧴 Beauty products

🍏 Food

🧴 Cleaning products

🧴 Most commercial good products

HOW DOES IT WORK?

PLATFORM ACCESS

Happen Ventures will provide login credentials to the Beneficial Reuse Box's platform, accessible at <https://apphappenventures.com/>, based on the approved locations and users, authorized by the store in the onboarding process.

HOW TO REQUEST A PICK-UP?

- 1 Pickup within 5 business days
 - 2 Submit the pickup order by completing the requested data
 - 3 Pick up all the items to ensure compliance with program rules
 - 4 The store user will receive an email confirmation once a Non-Profit has been assigned for the collection, and the order status will be updated within the platform
- 🕒 Happen Ventures will ensure that the designated Non-Profit organization will collect the items from the box within 5 working days of the request.

PICK-UP PROCESS

The store will be notified by email when a local non-profit has been assigned for the donation. The non-profit will also receive the store instructions and contact information for pick up.

Happen Ventures ensures that only pre-enrolled non-profit organizations receive donations during the pilot program. All non-profit organizations are vetted by Happen Ventures, and a master donation agreement is signed with them to ensure our commitment to you.

INCIDENT MANAGEMENT

On pickup day, the store team will be responsible for giving access to the donation items to the non-profit staff to ensure a smooth pickup, please remember the following:

Collection confirmation

Make sure the Non-Profit scans the QR code before the removal of items. They will then add a code on their own to trigger an email confirmation of the collection to your location user and into our system.

Store Box is Non-Transferable

Don't let them take the box, they should only take the items. If a box is taken without authorization or by mistake, the store should immediately contact Happen Ventures to initiate the return process.

\$200
USD

replacement fee — missing, lost or broken

Penalties

A **\$25 per box** destruction fee will be charged if non-eligible items, such as actual trash, are placed in the box. Happen Ventures monitors these incidents and provides a cash incentive to non-profit organizations to ensure proper disposal of these items.

Unpicked Boxes

In the event that a non-profit fails to pick up a box during the pilot program, the concerned store should contact Happen Ventures, who will then coordinate with the non-profit organization to schedule a pickup.

Spills or Damage

Store personnel are responsible for promptly removing any spilled or damaged items from the box and ensuring its cleanliness.

RESOURCES & TRAINING

Happen Ventures is committed to provide the following resources to keep store personnel informed and trained during the pilot program:

Training video

A video will be provided to explain program procedures and guidelines.

Signage and infographics

Visual aids will be displayed in stores to provide quick reference information. This is important as well for the collection process by the Non-Profits.

Support availability

Happen Ventures' support team will be available at +1 855-452-9376 or support@happenventures.com, from 9 am EST to 9 pm EST. Assistance through the platform will also be available as chat to assist with any queries or additional training needs.

The subjects covered in this support system are:

- ✓ Tech support for any issues related to the program's platform.
- ✓ Guidance on what items are acceptable for placement in the Beneficial Reuse Box.
- ✓ Assistance in cases where a box is not picked up by the designated non-profit organization.
- ✓ Support for issues related to pick-ups or general program inquiries.
- ✓ Additional training as and when needed.
- ✓ Resolution of incidents involving items left in the box after donation.

REUSE-FIRST

LET'S MAKE IT HAPPEN.
